

Propellers

Klübersynth® GEM 4-150 N
 Klübersynth® GEM 4-220 N
 Klübersynth® GEM 4-320 N

Thrusters

Klübersynth® GEM 4-150 N
 Klübersynth® GEM 4-220 N
 Klübersynth® GEM 4-320 N

Rollers

Spooling devices on winches
 Klüberplex® AG 11-462

Winches

Anchor handling winches
 Klüberplex® AG 11-462

Winches *continued*

Running-in & operation lubricants
 GRAFLOSCON® B-SG 00 ULTRA
 Klüberfluid® C-F 3 ULTRA
 Klüberfluid® C-F 3 M ULTRA

Cranes

Offshore Crane
 Klüberplex® AG 11-462

Tow Pins

Klüberplex® AG 11-462

Davits

Klüberplex® AG 11-462

Ropes

Klüberplex® AG 11-462

Gears

Open gears on cranes & winches
 Klüberplex® AG 11-462

Bearings

Slow turning bearings (roller & plain)
 Klüberplex® AG 11-462

Roller & plain bearings for deck equipment exposed to seawater
 Klüberplex® BM 21-322 US

Generator Bearings

Klüberquiet® BQ 72-72

Chains

Re-lubrication of chains
 STRUCTOVIS BHD 75 S

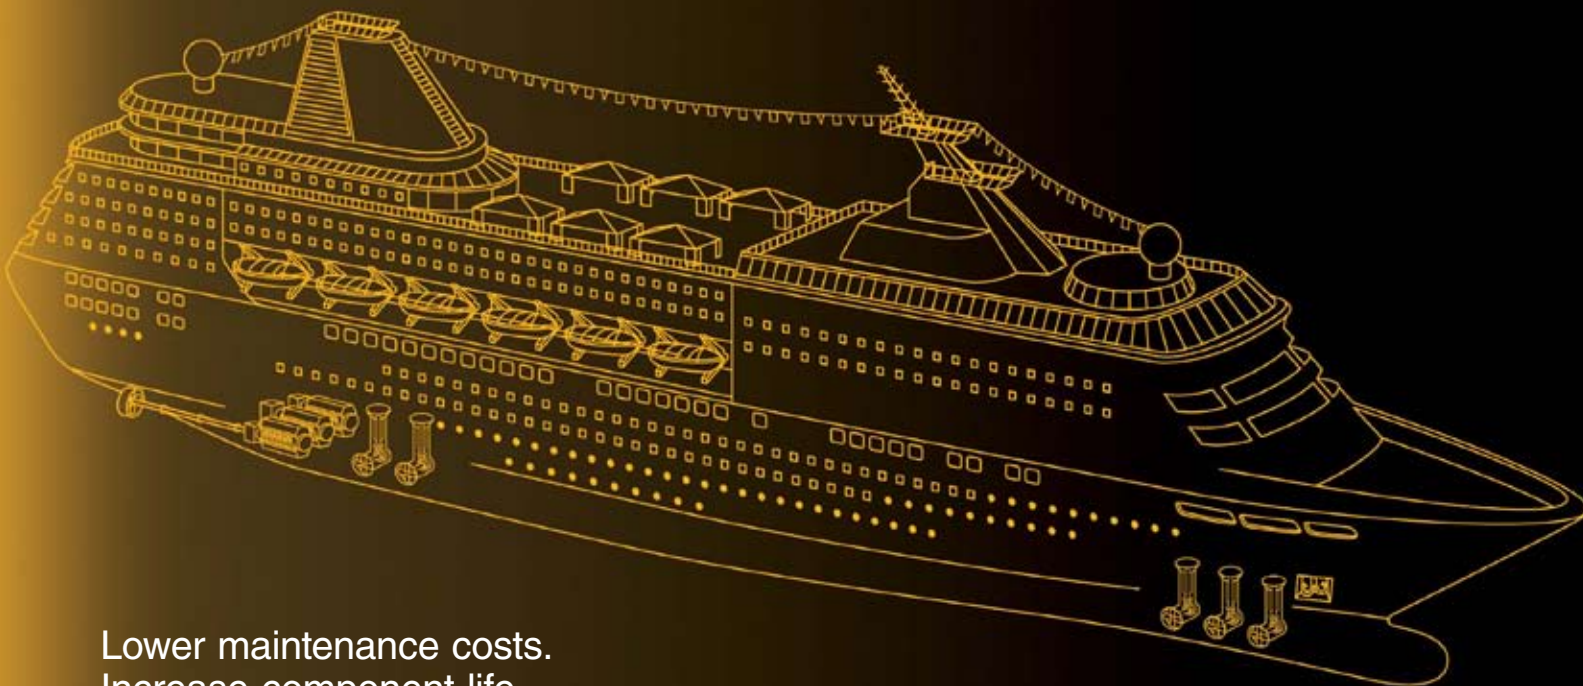

Have you considered the effects of specialty lubricants on maintenance costs and component life?
For high-performance lubrication solutions for critical applications under extreme conditions at sea,
turn to Klüber. Our lubricants provide maximum quality to significantly extend maintenance intervals
and service life of components.

KLÜBER
LUBRICATION

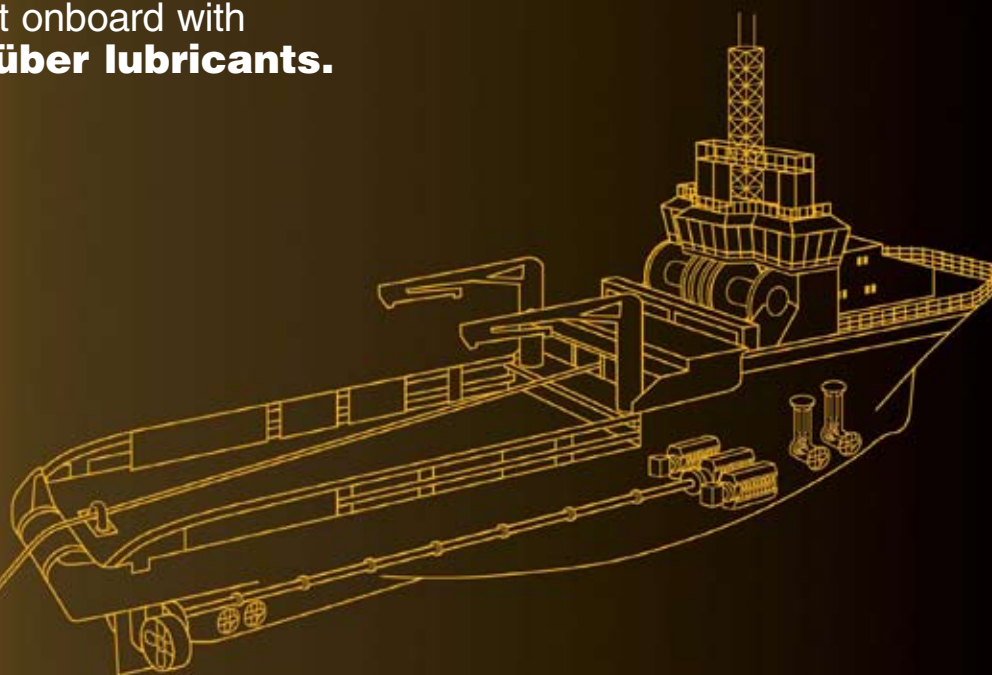

Lubrication is our World

Let us work together to prevent unplanned downtimes and costs while increasing operational reliability.
Call today at 1-800-447-2238 or visit www.klubersolutions.com/marine

Lower maintenance costs.
Increase component life.

Get onboard with
Klüber lubricants.
