

Have you considered the effects of specialty lubricants on maintenance costs and component life? For high-performance lubrication solutions for critical applications under extreme conditions at sea, turn to Klüber. Our lubricants provide maximum quality to significantly extend maintenance intervals and service life of components.

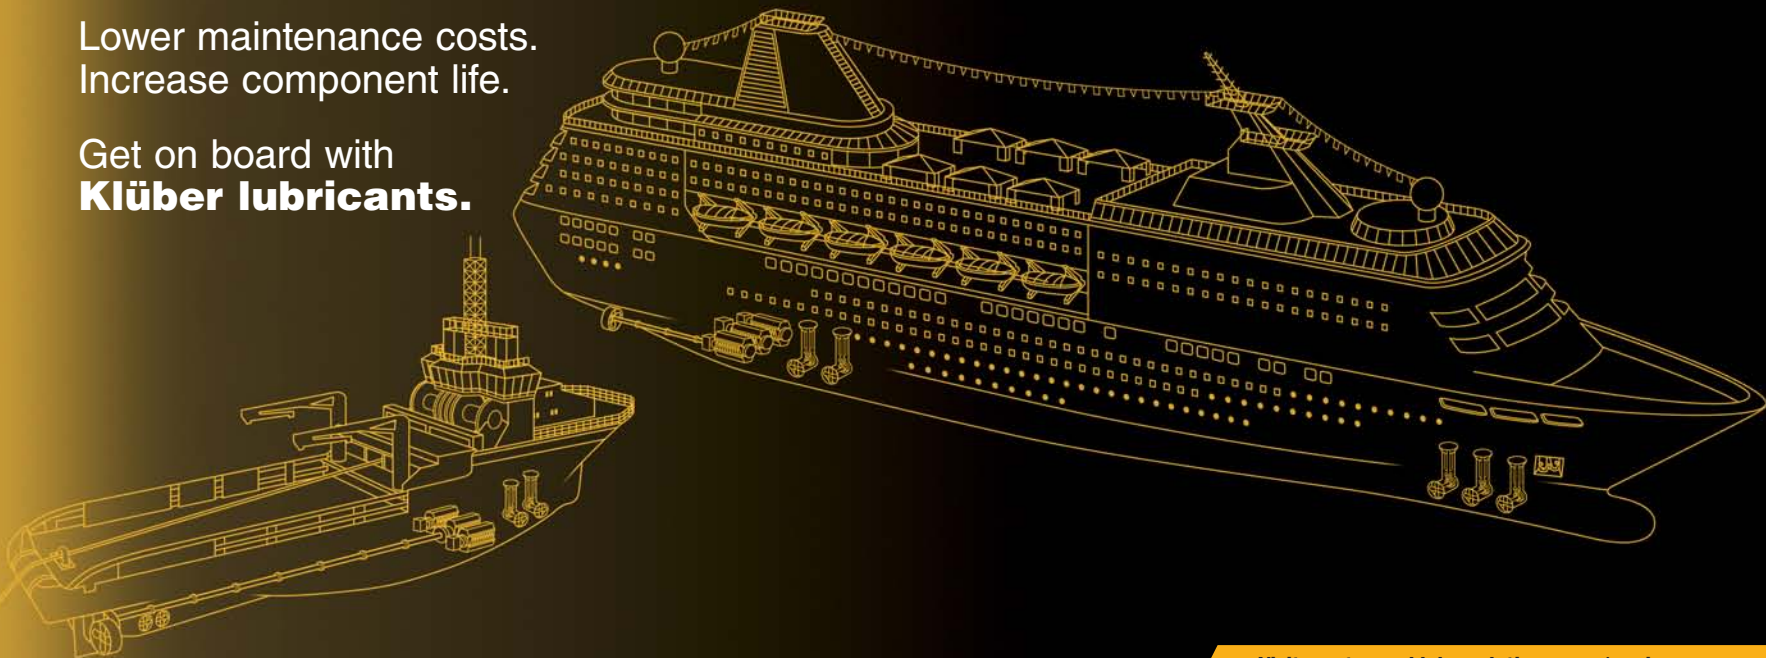

Let us work together to prevent unplanned downtimes and costs while increasing operational reliability. Call today at 1-800-447-2238 or visit [www.klubersolutions.com/marine](http://www.klubersolutions.com/marine).

**KLÜBER**  
LUBRICATION

Lubrication is our World

Lower maintenance costs.  
Increase component life.
